WHEN IMAGING MATTERS

Affordable space-saving wide-format **color copier for the office**

Work better together

Show and tell! Communicate and share ideas, blue - prints, drawings, sketches – in large format, in color and with no mistakes. Share mark-ups and drawing changes and revisions instantly with scan-to-net or scan-to-email capabilities. Mark-up, print, track changes and share digitally – no need for the original design software. Even saves your files in any format of your choice.

Get more from what you already have

No need to buy another printer or an expensive integrated MFP to get multi-function. With a SD3600 or SD4400 color MFP solution you get powerful scan - ning and image enhancement features to help you get the right quality the first time. It fits in your office and connects to most large-format printers. And it's easy to use for anyone in your office, so you don't have to outsource scanning of wide-format documents any longer, saving you time and money.
